EDUCATION

ARIZONA STATE UNIVERSITY (BARRETT, THE HONORS COLLEGE) Tempe, AZ May 2025

Bachelor of Science: Economics and Mathematics (Statistics), *Summa Cum Laude* **Cumulative GPA: 4.00**

Department of Economics Dean's Medalist; School of Mathematical and Statistical Sciences Outstanding Senior

FULBRIGHT CANADA, Montreal, QC, Canada September 2022 – September 2023

- Awarded \$5,000 from Fulbright Canada to study economics and mathematics at McGill University as a Killam Fellow.
- Attended an orientation for Fulbright Award recipients in Ottawa and participated in a seminar in Washington D.C.

FLINN FOUNDATION, Phoenix, AZ May 2021 – Present

- Flinn Scholar, selected as one of 20 high-achieving high school seniors in Arizona to receive a fully funded education (tuition, fees, room, and board) at one of Arizona's three public universities, as well as an \$8,000 stipend for study abroad.
- Received ongoing peer, faculty, and alumni mentorship from the Flinn Foundation's extensive network.

EXPERIENCE

CORNERSTONE RESEARCH, Chicago, IL September 2025 – Present

Analyst

- Conduct complex quantitative analyses and chart data in SQL and R to support testimony in high-stakes civil litigation.
- Design econometric frameworks and execute regression analyses in STATA and R; contribute to methodological design.
- Write production-ready code that withstands legal scrutiny from opposing parties; carefully handle confidential datasets.
- Use manual and LLM-assisted methods to review and construct datasets from large, unstructured document productions.

AMERICAN EXPRESS, Phoenix, AZ June 2024 – August 2024

Industrial Engineering Intern

- Collaborated with technology and business teams to design and execute test cases for validating third-party data transfers.
- Developed dynamic Excel dashboards to track key process performance indicators over time.
- Acted as an internal business consultant; provided data-driven recommendations for improving the digital product development and testing process; presented findings to Global Merchant and Network Services executives.

SCHOOL OF GEOGRAPHICAL SCIENCES & URBAN PLANNING, Arizona State University May 2022 – May 2025

Research Assistant / Co-Author

- Co-authored four research papers analyzing transportation behavior and demand for car-free living using data from a National Survey; significantly contributed to the methodology, regression modeling and analysis, background reviews, and drafting.
- Assisted with a Canadian Government report estimating the impact of digital labor opportunities on women's economic and social freedom in Cambodia and Thailand; led the quantitative survey data analysis in STATA, Excel, and R.
- Researched and wrote background reviews of the historical usage of racial code words to investigate how coded language undermines Fair Housing Act enforcement (collaboration with the James E. Rogers College of Law).

BOOTH SCHOOL OF BUSINESS, University of Chicago January 2023 – April 2023

Research Assistant

- Collected and coded experimental data to analyze the effects of perceived race and sexual orientation in negotiation outcomes.
- Developed and maintained databases for a city council audit study examining how gender identity affects "willingness to help."

ECONOMICS REVIEW AT ASU, Arizona State University August 2022 – May 2024

Founder / Managing Editor / Contributor

- Collaborated with writers to prepare op-ed submissions for publication.
- Planned, executed, and judged two annual paper competitions, allocating more than \$5,000 of student research awards.

SKILLS, AWARDS, & INTERESTS
